

# PODSHORTS

5 min video logs of book learnings from the collective community

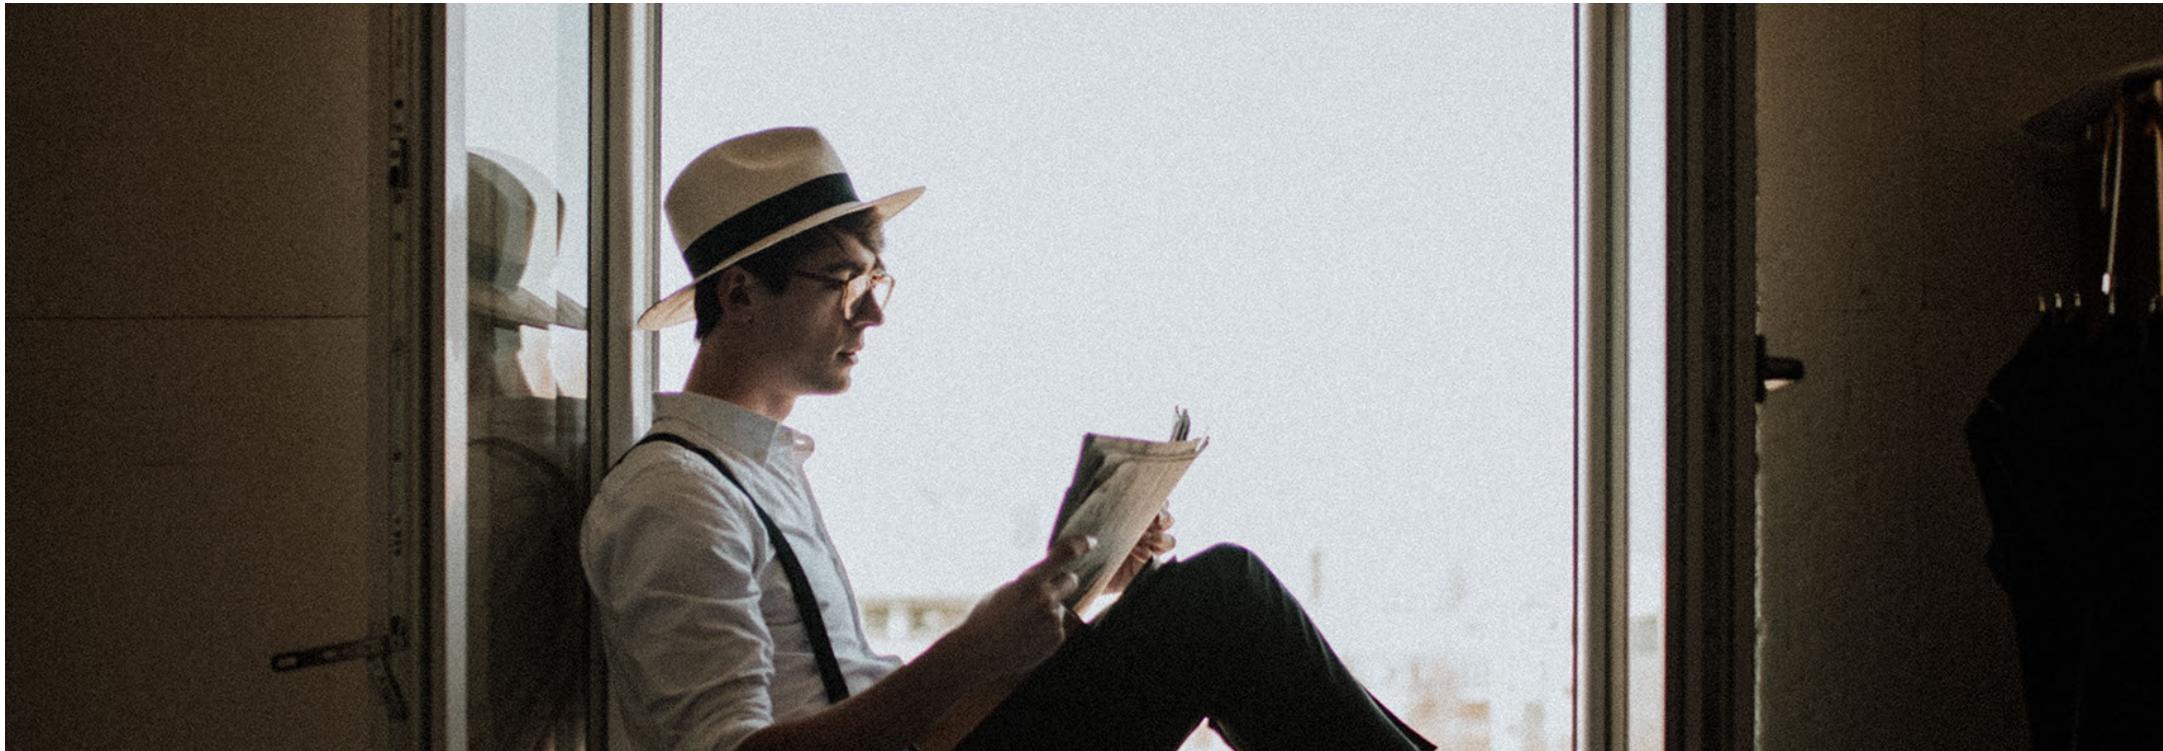

- For reading is a super power

"I read books and talked to people. I mean, that's kind of how one learns anything. There's lots of great books and lots' of smart people" - Elon Musk

"Whether I am at office, at home, or on the road, I always have a stack of books I'm looking forward to reading" - Bill Gates

Are you a reader? Care to share what you enjoyed in the book in a short 5 minute video log? Here is an example of a [video review](#) of a learning from a book

If you are interested in being featured on our YT channel and website, send us your 5 minute video link on a google drive to

Created with images by Nick Fewings - "In the bar of the hotel that I was staying at, they had a whole wall full of reading material for the guests. I was staying there long enough to read any, plus, I was too busy taking photographs!!" • Daria Nepriakhina - "Lean Startup workshop - the winner gets it all!" • Kinga Cichewicz - "I just love the thought that great things are coming. No matter what you're currently going through, there's so much to look forward to." • Ian Schneider - "untitled image"
